When you phone us or return your card to make an appointment, just let us know which gift you want, and we'll hold it for when you arrive.

HERE'S AN ADDITIONAL BONUS FOR YOU

We want you to have the opportunity to preview your favorite movie in our Home Theater showroom. So be sure to bring along a DVD of that movie. If you don't happen to have one, let us know... and we'll provide a copy for you when you arrive.

And if Pure Sight & Sound orders the movie for you, go ahead and take that DVD home at no cost to you as our way of saying "thanks for visiting us."

There's absolutely no obligation to do anything other than enjoy yourself when you visit our showroom. Just show up, let us play your favorite movie, get a sense of the thrill and the excitement of owning a Home Theater and, if you like, ask a few questions.

TO TOP IT OFF, HERE'S THE BEST GIFT OF ALL

If after visiting our showroom, you engage our services for your own Home Theater by December 31st of this year (2007), we will commission—as our gift to you—an original painting, poster-style, of your favorite movie. We will even include a museum art lamp to illuminate your custom painting.

Your painting will be done in both oils and acrylic, framed in rich wood and signed by our award-winning artist expressly for you. In fact, once we commission a movie title for you, no one else will ever again be able to order that same painting from us. Of course exclusivity works both ways... so, when we place your order, we'll have to make sure that we haven't already commissioned that title for another client.

But the good news is that since this is the very first time we're making this offer, you have a good chance of locking in your choice of movie title if you act now.

As a one-of-a-kind original, your 24" x 36" painting, bearing the signature of the artist, is destined to become a fine art collectible. Right now these original movie paintings are valued at \$2,500.
